MODERN BAMBOO

THE BAMBOO EXPERT

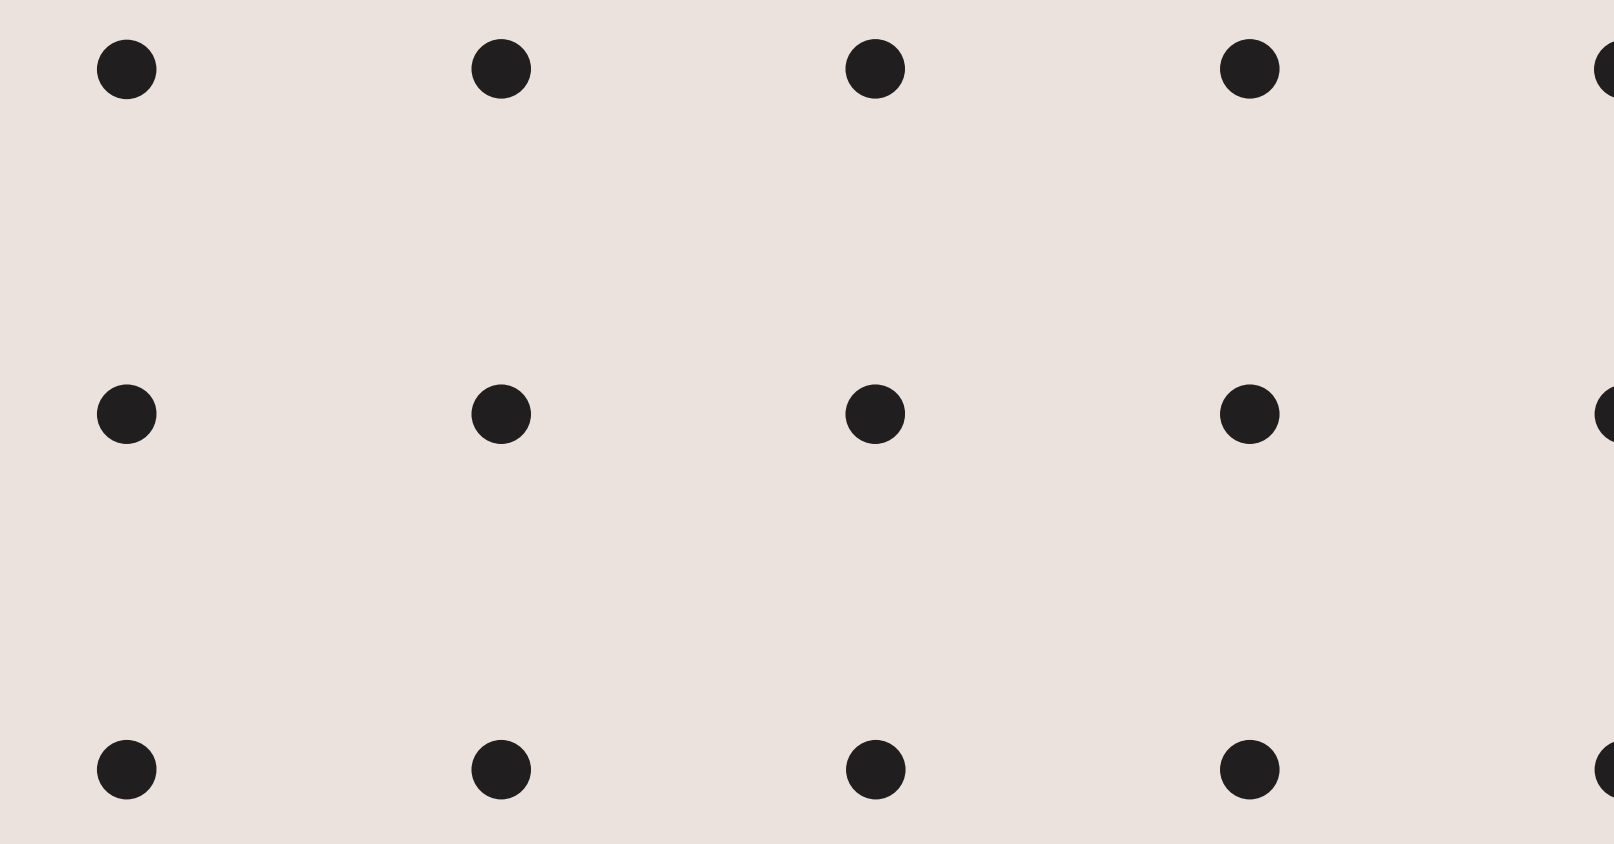

WHY CHOOSE  
MODERN BAMBOO

# Modern Bamboo®

is the leading supplier of high-quality bamboo products in the Philippines. With a focus on sustainability and eco-friendliness, we specialize in providing solid bamboo flooring, cladding, decking, veneer, and other bamboo products for both residential and commercial applications.

At **Modern Bamboo**<sup>®</sup>  
we understand that each project is unique,  
and we work closely with our customers to  
provide tailored solutions that meet their  
needs. We offer a wide selection of bamboo  
products that can be customized to fit any  
design or aesthetic.

Bamboo Cladding

We are dedicated to providing high-quality bamboo products that are not only durable and stylish but also environmentally friendly.

Our mission is to promote the use of bamboo as a sustainable and renewable resource, and to help create a better future for our planet.

# Accessories

# BAMBOO FLOORING

Bamboo flooring accessories include trim, molding, and underlayment for a polished finish and smooth transitions.

## BASEBOARD

**1830 x 60 x 14mm**

(Strandwoven)

**1900 x 80 x 15mm**

(Horizontal)

A decorative molding nailed to the wall covers the gap between bamboo flooring and the wall.

## T-MOLDING

**1830 x 48 x 14mm**

(Strandwoven)

**1900 x 50 x 15mm**

(Horizontal)

Use as transition for two floor of same height, normally in doorways, on the gap of door

## END PROFILE

**1830 x 50 x 24mm**  
(Strandwoven)

**1900 x 52 x 24mm**  
(Horizontal)

Used as a transition for floors of different heights, typically in doorways or between rooms with varying flooring levels.

## QUARTER ROUND

**1830 x 18 x 18mm**  
(Strandwoven)

**1900 x 15 x 15mm**  
(Horizontal)

Use along the base of the wall against the baseboard to cover gap between flooring and the wall, can also take the function of baseboard

## STAIRNOSING

**1830 x 83 x 24mm**  
(Strandwoven)

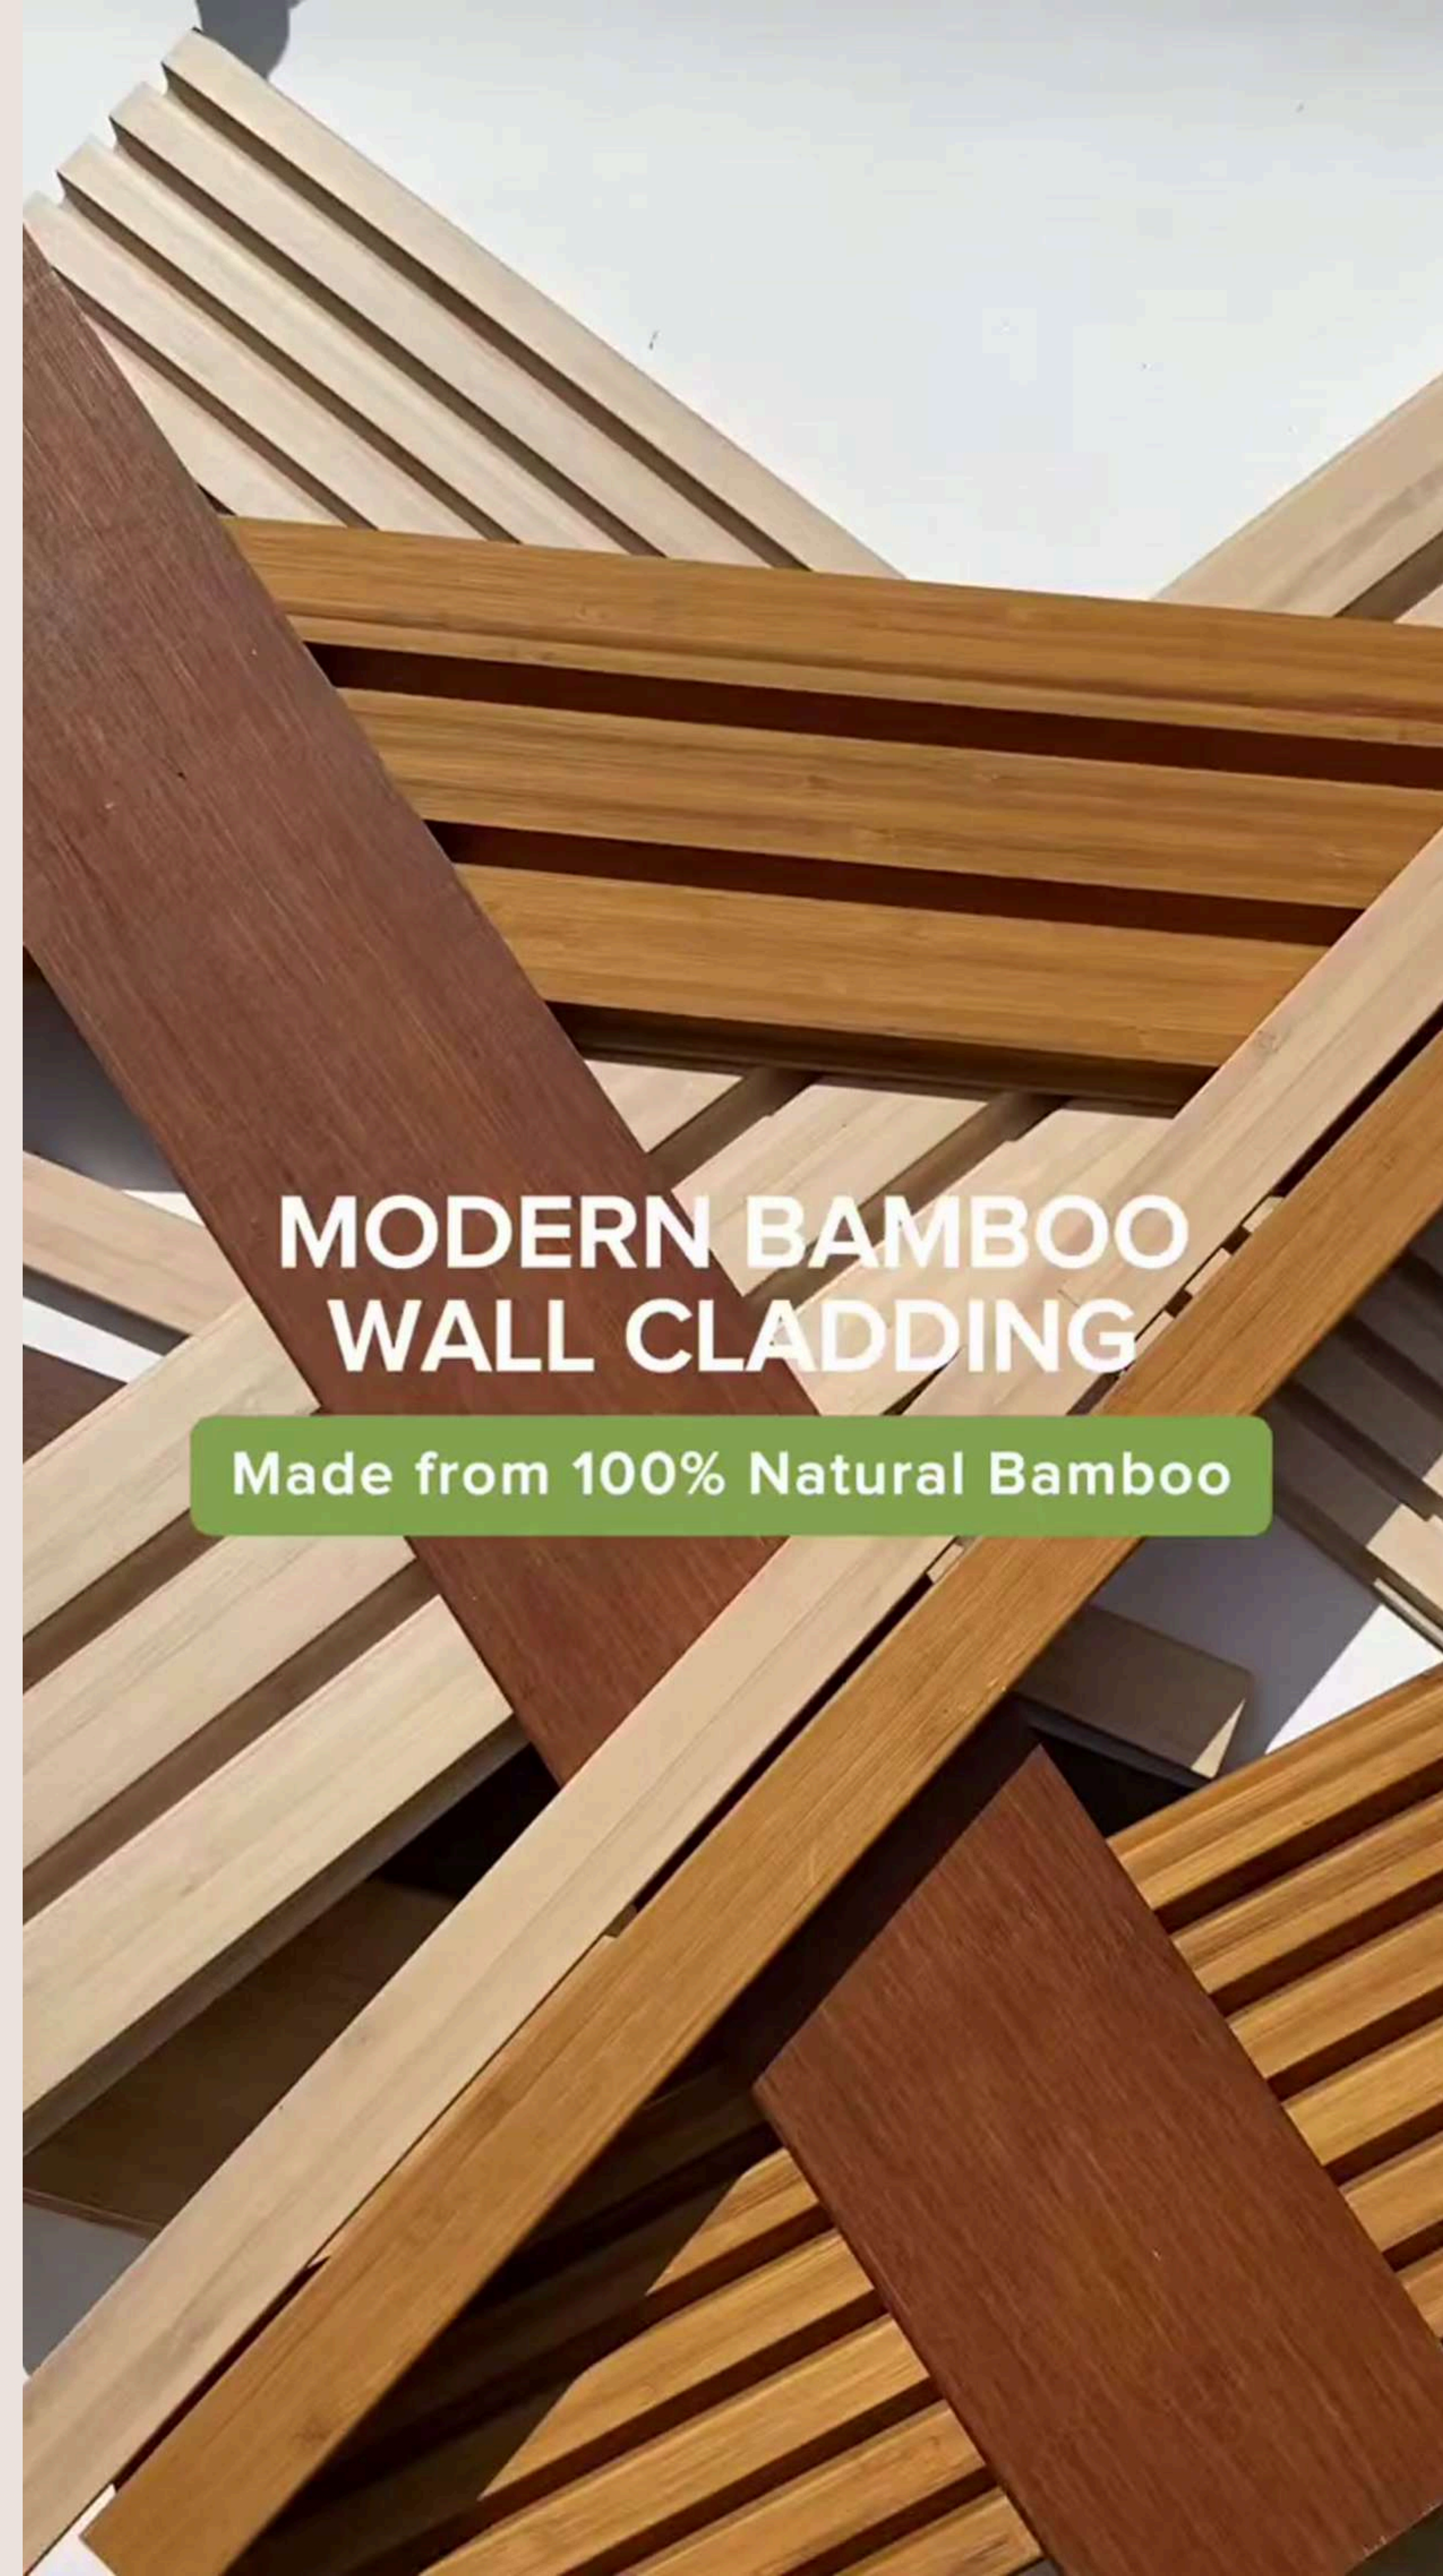

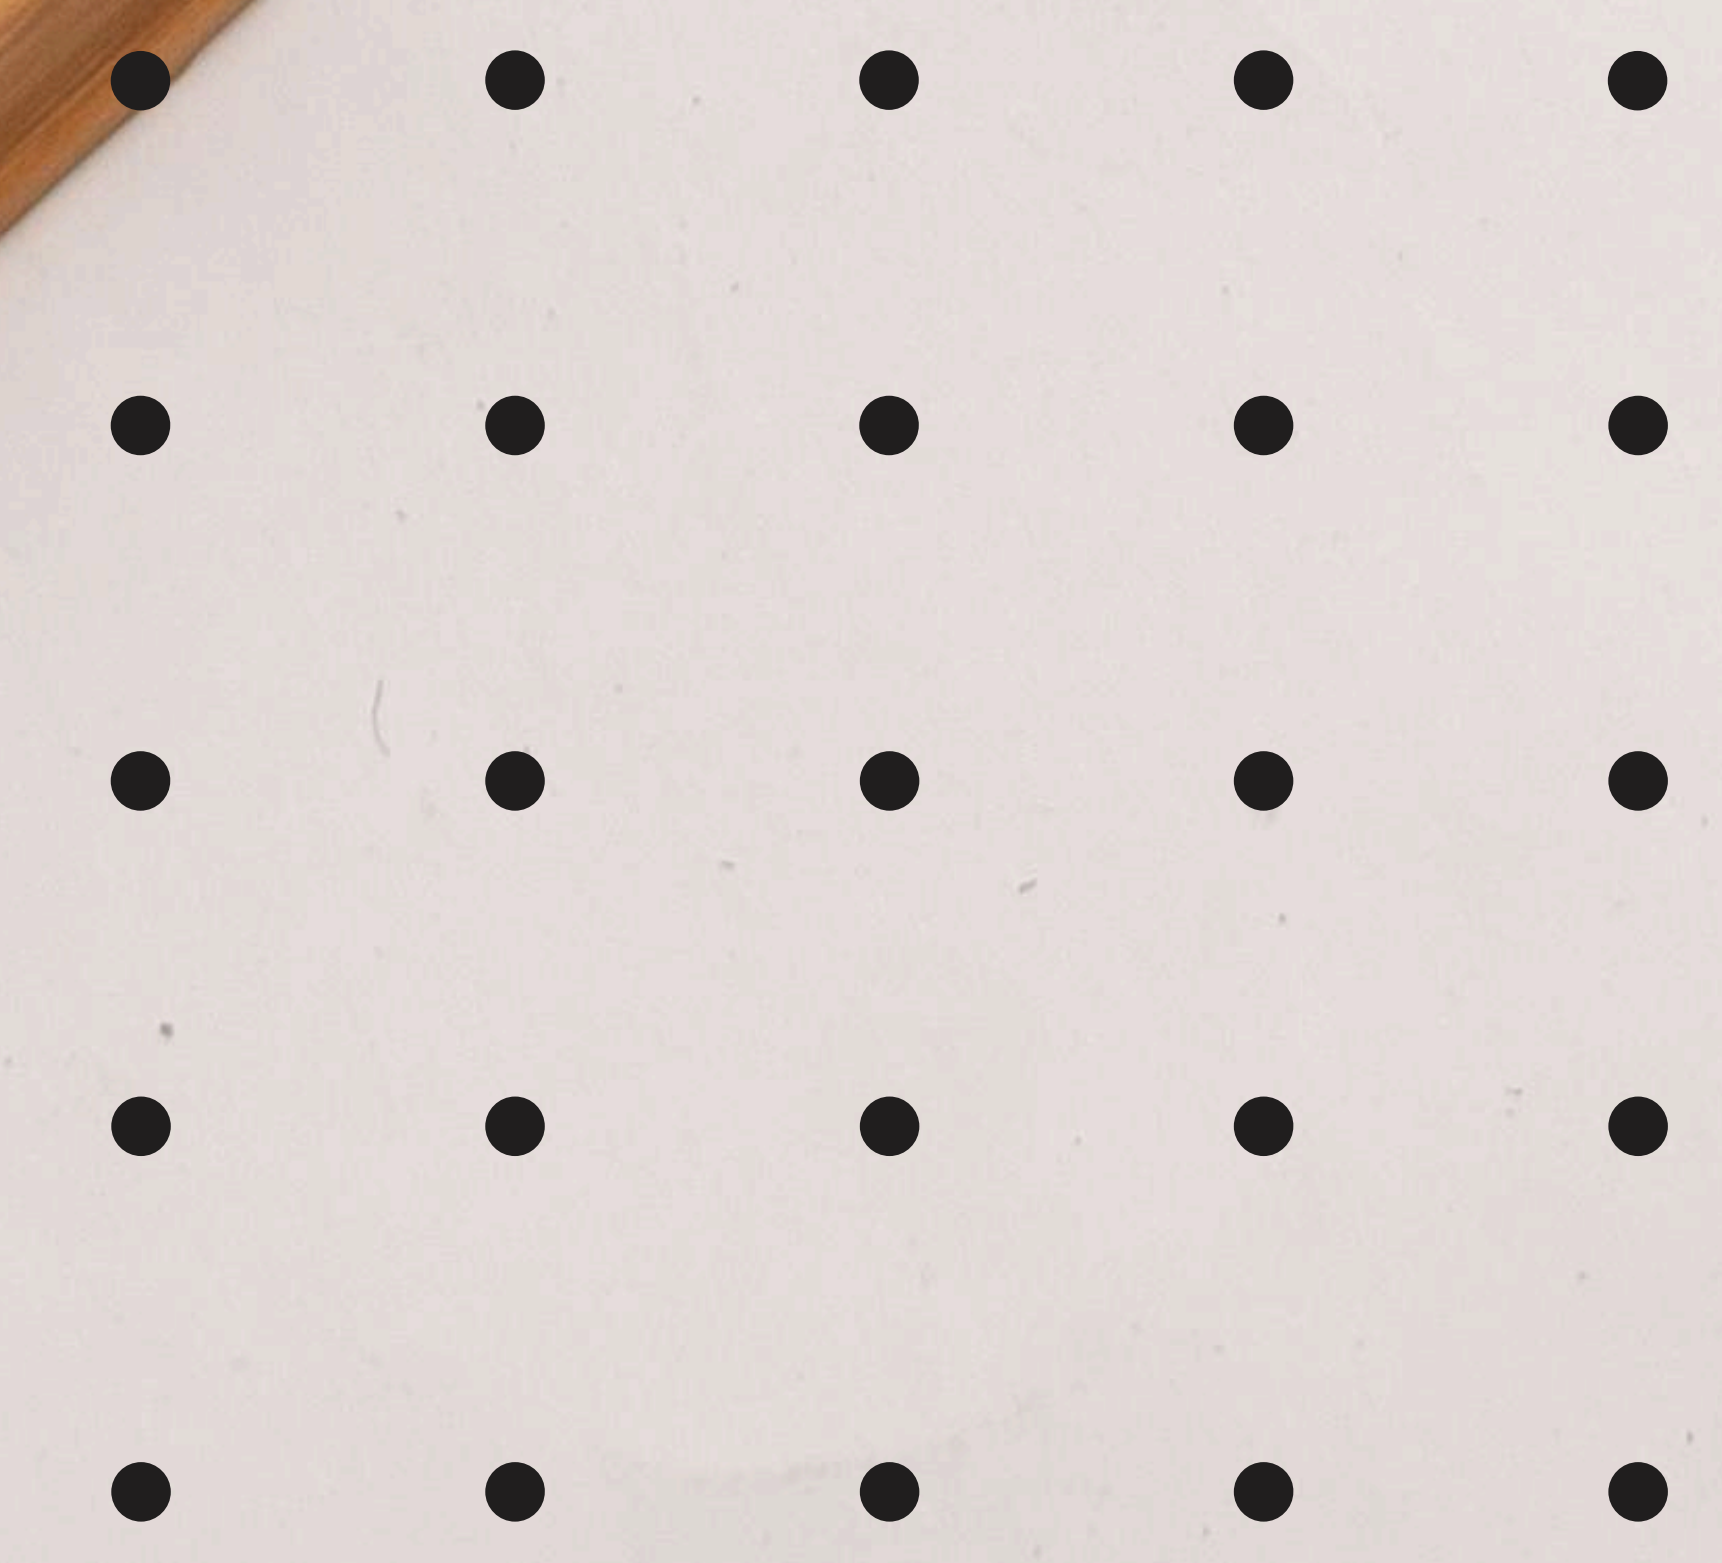

**N/A**  
(Horizontal)

Used on the front edge of a stair step
